## About Our Program...

The Academy was founded in 2005 by Rick Anderson. Rick is a Firearms Instructor certified by the NRA, NACFI, Utah Department of Public Safety, Nevada and is a North Dakota CCW Test Administrator. Rick has well over a quarter century of professional experience in firearms, tactical defense and personal protection. As early as the 1982, Rick was involved in his dual-occupation of law enforcement and the professional fire service which began in south Texas along the Mexican border. Years of public service including law enforcement, the fire service, serving in the U.S. military and many of those years as a fugitive investigator along the Texas-Mexico border has given Rick the experience necessary to be considered an authority in firearms and personal protection issues.

The Utah Concealed Firearm Permit is the most sought after & economical permits in the entire country. With the Utah Concealed Firearms Permit, you can benefit from reciprocity that covers around 70% of the nation, including Nevada. We offer combined training for the Nevada & Utah Concealed Firearms Permits. After completing our training, you can apply for the Nevada & Utah Concealed Firearms Permits and several others.

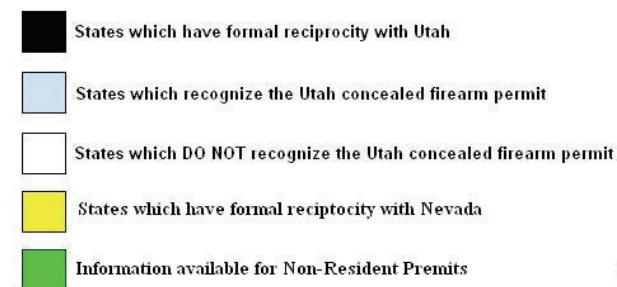

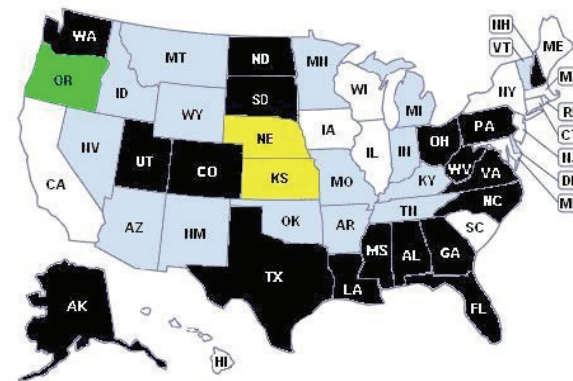

## Safety, Awareness & Skills Development Programs (S.A.S.)

In order to meet the needs of our students, we are offering and developing several additional programs to assist gun owners/CWP licensees with the training & skills development opportunities they desire. Some of those S.A.S. programs are:

Multi-State Concealed Firearms  
Basic to Advanced Programs  
Personal & Home Protection  
Judgmental Skills Development  
Evasion and Escape  
Street Awareness & Survival

CCW Shooting Drills I, II, & III  
Women's Safety  
Specialty Seminars  
Skills Development Events  
Special Group Classes  
Personal Mentoring

Ask about our Newsletter and Training Discount Program & how you can receive regular discounts on continued training and other services we offer.
